“ Linda and I were friends for many years with a group of women in an on-line message board. We only met once in person, but I loved her wit and kindness. She will be missed by all of us. My prayers are with her family.

“ Paul and family, my condolences. Her son and grandsons are evidence of a mother/grandmother full of humor and love. The most impactful thing someone said to me when my mother passed, was; 'this feeling never goes away, it lessons some as time goes by but it never goes away.' You can take great comfort in having loved someone so much it hurts forever after they've gone.

“ So sorry for your great loss! Linda was a really interesting lady. I met her through freecycle years ago, she gave me a dog sweater. I ended up looking at yard sales for her for some things she wanted for one of her crafts. She shared some craft ideas with me a time or two.

Linda, will always be with me through this life and the there after. There was no greater friend, her humor, talent, cooking, ability to be the very essence of life made her extraordinary. She will live on in each and every life she touched. I am grateful to have had such a profound relationship with her, She will always be my rock my soft place to fall and my heart. Even if she is no longer physically here. My condolences to everyone this is a great loss to us all.

Paul, your mom was so kind. I remember the cottage in the woods and all the parties. I will never forget waking up one morning in a tent at the cottage and she was there making sure we were all ok and didn't need anything. We sat and talked all morning and made us feel so welcome. She and your dad raised great kids and you all raised championship caliber grandchildren for them to be proud of. God Bless you and rest in peace Mrs. Steininger.
