“ Even though I didn't know Ljubica personally, I feel as if I knew her though various stories I would hear throughout the many years of friendship I have with her daughter, Jackie!
After reading her obituary, she was so blessed to have so much family and love surrounding her during her life and up until the end. Death is never easy and I know it will take time for the family to grieve and I know she will be missed but she is now with her husband and grateful to all of you that remained by her side until the end. Saying a special prayer for the Martinoski family and sending big hugs to you, Jackie! ❤️❤️
