“ *Mr. Miller and family. The Indiana Hospital Auxiliary Association sends deep sympathy and condolences to you, her family. Lois always enjoyed the work of the auxiliary and served as President of the State with great pride. We have missed seeing her at the State Convention the past few years but understood her health problems. “Lois was like a second mom when I grew up. She was kind but could really keep me in line. Living next door to her in Glen Park were some of the best years of my life. I loved her laugh and her cooking. Pie day was always the best! Will miss you forever and you will always be in our hearts.
