“ I just found out about Lois' passing this morning. I lived 1 street away from her in Naples and always talked with her while her Scout and my little dog visited with each other. She was very kind and very helpful. May her family enjoy all of the wonderful memories of her for forever and a day. Rest in Eternal Peace, Lois.

“ To the Family of Lois,

*I was deeply saddened to hear of Lois's passing. She was a familiar and cherished presence in our neighborhood, always out walking with Scout and greeting everyone with a smile. Lois had a gift for conversation, and her stories about Scout and her warmth made her a joy to talk to.*

*She will be missed by all of us who had the pleasure of meeting her along her walks. My thoughts are with your family during this difficult time.*

*With deepest sympathy,

“ George and I always enjoyed our conversations with Lois when we would see her walking Scout and we were walking Samie. As fellow Hoosiers we always had discussions about our hometowns since we weren't too far away from each other. Our deepest condolences to the family. We will miss her.

“ My husband and I met Lois when we were visiting her Naples neighbors, the Hamblens. We always had a nice time talking with her and seeing Scout. She gave us tips of places in the Naples area to visit and encouraged my love of orchids. Our sympathies to her family and friends.
