“ Just wanted to say I am so very sorry to hear that Lori has passed away. I just now found out. I knew she was not feeling very well. I knew Lori from when she worked at the Chesterton laundromat. She was so kind and so funny, I would schedule my days to do laundry on the days she worked because I knew that overbearing chore wouldn't be so bad if she was there to help pass the time. I will be keeping her family in my prayers during this difficult time. Tell Millie I said hello and miss her as well. God bless. Evelyn Eads
