“ I never met Lori in person, but we connected through Facebook where we spoke many many times, and shared our experiences as my beloved husband was also fighting the cancer battle, which he lost last year.

Lori was a real sparkle and bright light to me in the short time she was in my life.

I send my deepest, most sincere loving vibes to her husband and boys, who it was very clear she was so proud of.

The warmest of hugs to you, from Alberta.
