“ Lorraine was a bright, shining light for anyone who knew her. I am speaking for myself, although I am sure I share this thought with others: Lorraine touched me in such a special way that she humbled me into being a better version of myself. To be missed so much by so many, she led a life well-lived. Each of us can only hope for the same. My sincerest condolences go out to Bill, who took such good care of her over her long illnesses and to her family. Thank you for sharing her with me. Our loss is Heaven's gain. Rest in peace, Lorraine. You have earned your place in Heaven.

“ Such an enormous loss for her family and for those who knew her & had the honor of being her friend & confidant. Her smile always lit up the room & her kind & sweet ways made us all gravitate towards her. To know Lorraine is to love her. Her family was so unselfish & shared her with everyone. Her legacy continues with her truly beautiful family. Lorraine will never be forgotten. God's Blessings to her entire family especially during this difficult time.
