“ How many times do we say \”The good news is..” Today? Lucy did and I can hear her now, we contacted every-morning either texting or phone call. That was my leader, very positive and giving her time for others. I pray that I can be as positive as she was, I know that is a choice, its an attitude we decide to live and that was my Lucy. Lucy taught me a new way of “living” and believe it is a simple, yet powerful way that enables us to enjoy everyday of our life. I miss my commander so much, the person that would help me make discussions. I believe that If I incorporate my way she did, I would dramatically improve the quality of my everyday experience. Jesus said he came so we might have and enjoy our life in abundance John 10:10 (Lucy did from being strong to being weak she enjoyed life and shared it!!). Are we ready to say Good-bye? “NO” However, Jesus offers us a great memories of her examples, her being so Positive, Loving and Caring. However what is left? Great memories, I feel empty with out her (God used Lucy to teach me about life). But I know that Lucy would want me and her love ones to keep focus!!! Practice our living one day at a time; give yourself, your thoughts, your conversation, your energies, very part of you-to the day at hand “God is our strength”. Never forget to tell the one you love, “I Love U” it might be the last day. Lucy I Love U and I know God Loves you!!!
