

Lynda S. Mroz

March 17, 1950 - December 24, 2024

Lynda S. (Conrad) Mroz, was born March 17, 1950, in Long Branch, NJ to beloved parents Herbert and Margrett Conrad. Beloved wife of Edmund Mroz. Stepmother of Edmund (Jennifer) Mroz, Thomas Mroz, Joseph (Jamie) Mroz. Loving grandmother of Linda, Morgan, Dylan, Tessa, Mason, Joey, Gabriella, Tommy and loving great grandmother to Paisley. Cherished sister of Guy Conrad, Diane Calamari, Gail Potter and Beloved late brother Steve Conrad. Aunt of Stacey Honczarenko and Jessica Kolibas. Great Aunt of Olivia and Hayden.

Lynda S. (Conrad) Mroz, 74, of Crown Point, IN, passed away peacefully on December 24, 2024, after a valiant battle of lung issues. Up until the end Lynda maintained her kindness, grace, compassion, love of her family and friends, and expressed gratitude for her long life, full of wonderful and varied experiences.

Lynda's life can be encapsulated by a few meaningful words: Family, Friends, Fun, Loving, Caring and Vibrant. In her 74 years with us she has experienced an abundance of each. Lynda graduated college from Trenton State College with a bachelor's degree in business. She worked for Johnson and Johnson and Wrigley Gum. After retiring she and her husband moved to her dream state, Mesa, AZ. There she enjoyed her retirement in the sun and by the pool. She took on hobbies of sewing and coming up with fun projects. She felt pride in these things, shopping she loved to shop, going to the casino having fun. After some time, Lynda and her husband move back to the area to be closer

to family. Moving they landed in Crown Point, IN. Here is where she continued all her favorite things to do but now, she added doing things with grandkids. Always being so proud of what they do in life, excited to keep up to date with things they have going on.

The family will be hosting a private memorial at a later date. Burns Funeral Home, Crown Point entrusted with arrangements. www.burnnsfuneral.com.

“ Lynda was a wonderful lady! I met Lynda, along with Jani & Patti, at “Sew from the Heart” in Scottsdale, AZ. The 4 of us had a passion for making projects with our embroidery machines. We spent many days at Lynda’s home, crafting, eating, & sharing stories of our lives.

I will always think of Lynda, when I use the little Singer

“Featherweight” machine I purchased from her when she moved closer to her family.

Lynda was always so upbeat, happy, caring, & thoughtful. She left a legacy of kindness. Her life well lived, is eternal.

“ I loved Lynda. She was one of my best friends and very dear to my heart. We met in a sewing class along with Patti and the three of us continued to take more classes together, then on to lunches and trips and adventures. We became known as the three Musketeers. I was a widow and very quiet and introverted. Lynda helped me find my voice and become the outgoing person I am today. She was loving, kind, compassionate, encouraging. She took me to the hospital when I had surgery and then back to her home to recuperate for a couple of days. It was a sad day for me when she and Ed moved back to Indiana. I am truly grateful to Ed for having a surprise birthday party for her when she turned 70 and I got to stay with them and attend. Loved her like a sister I never had

“ *Deepest sympathies to Lynda's family. I had the pleasure to work with Lynda at Nabisco over 20 years ago. She was a positive force to be reckoned with - I always admired her fearless determination, sense of humor, love of the business, and how much she cared for others. We unfortunately lost touch over the years but she made me a lovely tree skirt that I use every year under my Christmas tree. I will always remember her and why she taught me. Big hugs to her family!*

“ Lynda was our bonus "Mom/grandma" brought into our lives to make sure we gathered, celebrated & loved. She had the best smile and enjoyed the little things; the deep conversations, knowing glances and appreciated being part of the family. Now we honor her by rallying for Dad and looking after him as she'd want us to. I can see her laughing and smiling saying good luck...oh how I'll miss the banter between the two of them. Til we meet again Lynda...please give my Dad a hug for me- I'm sure you two are catching up ❤️

“ You are so so greatly missed, but I am so glad that you are finally at peace. Thank you for being such a loving grandma to me, Mason, and the rest of us grandkids. We were so blessed to have an extra grandma in our lives! I'll miss our texts and phone calls, you were always reaching out to me to see how teaching was going, telling me how proud you were. On tougher days you would remind me of my calling for teaching, helping me change my perspective. I wish I got to tell you just how much those conversations meant to me. While we can't have those conversations anymore, I know you are watching over all of us. We will continue to make you proud and reminisce on all of our fondest memories we have of you❤️

“ Its not easy to find words to say goodbye so maybe i just wont say that. Instead i say thank you. Thank you for loving me and my family as you did and giving Morgan and Mason an opportunity to have another Grandma and we all know you cant go wrong having more grandmas😊. I truly hope being part of our family gave you great happiness. Mostly I thank you for loving Dad as you did and taking care of him. You found eachother later in life and provided eachother with the love you both needed and for that im very grateful. A life well lived Lynda and its ok to rest now. May god keep you in his warm embrace and welcome you home. We love and miss you. Memories always live on❤️

“ Good bye to my big sister. You will be missed.
My big sister was wonderful, she took me to all kinds of places,
helped me at prom time.
I have such wonderful childhood memories of Lynda. She, like our
other siblings showed me the “baby” all kinds of fun things. Lynda
loved to cook and during her Cornish hen phase , lasagne phase ,
and several other cooking phases , she would teach me how to
Cook these things . I had a blast with my big sister , bowling,
shopping , going to plays etc
She truly was the Big Sister every little girl could hope for. I was
very lucky!!
Love you much , hope you spent Xmas with mom, dad and Steve. I
know would you have enjoyed that
Love you much. Thanks for the memories
Your baby sister. Gail

Gail I'm so sorry for your loss. She was an amazing woman and I'm so
lucky I had her as a mother in law and my kids had her as a grandma.

“Ma you will be missed dearly. I can post hundreds of photos that we have captured over the years, go on and on about the fun things we have done but I'll hold onto them and cherish each one. I'm so grateful that you have come into our life my life. You were an amazing person with a big big heart. Still doesn't seem real that you are gone. I'm missing so much now. But I know you are no longer in pain and I know I have another great angel watching over me and the family. Until we meet again Ma I love you always and forever.

“I'm beyond thankful that you entered my life and I was able to have a wonderful relationship with you. You always checked up on me and gave me such great advice about life, careers and love. I will cherish the trips we took and the times I was able to visit to Mesa and Crown Point and be there for your surprise party. I wish I could have heard your voice one last time. I miss you so much. Give hugs to grandma and grandpa Conrad and if you see Russell, have a chat and catch up. Heaven gained another beautiful soul.

I am so sorry to hear of Lynda's passing. I had the good fortune of working closely with Lynda in the 1990's at Nabisco. She was a savant about all things related to the LifeSavers Brand. Lynda was one of a kind, with a larger-than-life persona and boundless energy. I remember her convertible Cadillac Alante, her very pampered dog Chollie, and her love of going to casinos.

On one occasion, we were on a business trip to Memphis, TN for what seemed like an endless day of travel and meetings. I shouldn't have been surprised the next morning when Lynda shared that while most of us were sleeping, she spent the later part of her evening at a riverboat casino she found about an hour away on Tunica, MS. Needless to say, she had a winning night. In another famous Lynda story, she was visiting a LifeSavers Plant in Las Piedras, Puerto Rico when a hurricane hit the Island and flooded the Plant. Rather than hightailing it home, like most people would, she stuck around, grabbed a mop and helped with the cleanup.

A number of years ago, my wife and I were in Chicago and were lucky enough to see Lynda and meet her husband, Ed. It was great to see how much she was enjoying life and from the posts above it is clear how beloved she was. RIP, Lynda. Every life you touched was made a bit brighter because of you.
