“ I knew Lynette from Girl Scouts. She was a very kind, loving, giving, fun, and funny person. She was a fantastic Girl Scout leader, always had a kind word and a warm smile. She was one of those people who was beautiful inside and out.

*I remember that, as Girl Scout leaders, she, Julie, and I would sometimes run into issues trying to plan events for the girls. Lynette always had an idea or found a way. Nothing ever rattled Lynette, even getting lost on a hike during a camping trip.*

*I know her legacy lives on in her beautiful daughters. She will be greatly missed.*

*“ Lynette is so much to so many. To me she was my work mom, and  
a trusted friend. She is the hardest worker and most selfless person  
I know. I am so grateful for her friendship, mentorship, and the  
plenty of laughs along the way. Thinking of your family during this  
time.*

*Lynnette was the kind of friend that everyone should strive to be. She was always more concerned about others than herself. I treasure the years of friendship that we shared at work and after I retired. She will be missed by so many people.*

*I am so sorry to hear of Lynnette's passing. I had the privilege of talking to Lynette over the years and enjoyed seeing her smiling face when she would come to our dental office.
