“Marge” you were so special to me. When I became ill and had stopped coming to church you were the only one who kept in contact with me from the church i attended with you for 25 years. You were always an encouragement to me especially going through my health issues. You always assured me you were praying for me and I knew you were. I wish I could have come to pay my respects but I am no longer able to drive. So for now see you soon. Love you Marge my friend!
