Tribute Wall

“ To Peggy’s husband, children, and grandchildren, we are praying for you. A real life angel has moved from Earth to heaven. She was the definition of a present and loving mother. Her family was her world. My sister Michelle and I grew up with her kids. So we watched her in action. She loved so hard. She was devoted to her family and dedicated to serving. There are many people who can recite scripture and talk about the Bible, but she lived it. She walked the walk. I’m so sad about this tremendous loss. But I am grateful for the memories and for the legacy she is leaving behind. To her husband, thank you for taking care of her the way she deserved to have been taken care of. I’ve heard nothing but great things about you and hope to one day meet you. May you be blessed with long days and peace. To her children and grandchildren, you know you added so much joy to Peggy’s life. Now it’s time to live out the legacy that’s inside of you. You are Peggy’s descendents. And that’s powerful. Please take comfort in the wonderful life she lived and the memories that you built together. Hold each other close. We are here for you, and we love you each one of you.
