“ My sincere condolences to Peggy's daughters and extended family on the loss of their loved one. I was a Unit Director at Porter Memorial, and worked with Peggy on various committees, during her many years of service there. I know she was dedicated to her patients and contributed much to our Nursing profession. My prayers are with you all during this time. 🙏🏻🤍

“ My deepest condolences to Peggy’s family. Peggy and I met in nursing school and spent many hours together, studying at her home in Etna. Her wit and sense of humor were infectious. She was a truly remarkable woman and mother. I am grateful for our relationship during a difficult time in our lives. Being in our 30’s, mothers and wives starting nursing school was no easy feat, Peggy made it fun and we both went on to be RN’s. Thank you Peggy I never forgot you. Janet Huseman
