“ I knew Margaret for many years. I first met her when she lived across the street from my grandmother and Aunt and Uncle, the McQuillins on Harrison St. in Gary, IN. I happened to met up with her again when we both were married and lived in Merrillville,IN. We belonged to St. Andrews Catholic Church and later St. Joan of Arc.I later joined the sorority that Margaret belonged to and we became good friends. I was working for Dr. John Scully and Margaret for Dr. John Mirro when Dr. Mirro joined Internal Medicine associates and of course Margaret came with him. We then became co-workers. My husband and I moved to Michigan in 1989but I saw Margaret whenever I came to Internal Medicine. I'm sure she will be missed by all.

“ Margaret Wolfe and I graduated from Gary, Indiana, Horse Mann High School in 1952. Forty years later I attended, alone, the class reunion for the classes of 1950, 1951, and 1952. Margaret and her husband showed me much kindness by including me at their table and in all their conversations. Instead of being very much alone I was very much included in the reunion. What was especially nice for me is that I could spend time with my high school football and basketball teammates - I had not seen or talked to them in forty years. A terrific reunion made much nicer for me by Margaret and her husband Greg. Thanks Margaret. For her children and grandchildren, please accept my deepest sympathy in your loss. She is now in a much better place. You sure have a wonderful mother and grandmother. Thank God for her. - - - Roy F. Quanstrom

“ Margaret was always known as "Sis" to our family. Not only was she my oldest sister's lifelong friend, she was also a dear and always-welcomed friend to our entire family many decades ago. Her optimism, sense of humor, and energy refreshed everyone she knew. It was one of my life's blessings to have known her. Gerry (Haley) Bateman
