“ *Grandma Marge brought a smile to everyone she ever met. The Moms Bunco Group always loved to be with her. Marge was quite a cook and made the best pound cakes. She had such a green thumb when it came to flower gardening. She was a very gentle, kind, thoughtful, and loving lady. Never judged people. Marge left a permanent imprint upon anyone that knew her that can never be erased. There is a great joy in all the Spencers' hearts having known her. Thank you for the wisdom you spread. May God watch over Grandma Marge and bless her with gentleness and love. Rest in peace as you leave your earthly life and now enter life eternal.*
