Tribute Wall

“ *May the love of friends and family carry you through your grief. It seems so unfair that death would have the power to take away someone you love. And when it happens, the thought of never being able to talk to, laugh with, or hold your loved one can be most difficult to bear. The pain is not necessarily erased by being told that your loved one is up in heaven, as if God doesn't care about our pain. We are given a promise that some day we will never have to cope with this kind of pain again, "He [God] will actually swallow up death forever, ...[And] He will certainly wipe the tears from all faces".... Isaiah 25:8*

“ *I cannot imagine your deep sorrow, but I can tell you that Marge touched many lives in the program, including mine. Her sweet smile and delightful chuckle could make anyone's day! She was a beautiful and generous soul, and she is certainly Heaven's gain. She is loved and she will be missed -- her life mattered. I am praying for God to surround your family with angels of comfort and healing. As Marge knew so well, take it one day at a time. Everything will be okay.*
