“ *Dear Cathy, Laverne, and family...My heart is with you this morning as you prepare for Marian's memorial service. Please forgive my absence as we are out of town. I had the pleasure of getting to know Marian when we worked together on the 2000 Census. She was one of my most reliable, hard working, and enthusiastic team leaders! We had so much fun working together. She will always hold a special place in my heart and I look forward to more good times when we meet again! Blessings and peace to you all.*
