“ Marie was a beautiful woman, inside and out. She loved her family and friends. She even took care of all the animals outside the mountain home she had with Peter; she adopted Tucker, a stay who showed up at their home one day, and she fed the many wild turkeys and deer that made their home a daily stop. She was a close friend to my mom. She always remembered everyone's birthday with a card and a note! She was a lovely, caring person who will be truly missed.
