“ Marilyn was always willing to share her passion for painting china with the public and in classes, what a gracious, beautiful, giving person! I've had the pleasure of knowing Marilyn, as well as her husband Dick, brother Bill, and daughter Megan as they all worked and volunteered for the Lake County Parks over the years, so I got to know all of them - what a pleasure!! I can only imagine now them all having a wonderful reunion - laughing and hugging - it is a good image to have! May the family remaining here on earth rest in the memories and find comfort in friends and peace in God. HUGS,

“ From the first time I met Marilyn I could tell that she was an exceptional person, a feeling I had about her that only deepened with time. She not only was a wonderful teacher and mentor, but for me her example of how to live a good and rewarding life was her greatest lesson. She did everything with love and so many of us are the direct beneficiaries of that love and care. She is dearly missed.

*My sincerest sympathy to her family and her many friends.

“ My deepest Sympathy to all of Marilyn's family. It was heartbreaking to learn of her passing. She was my first porcelain art teacher in 1990. What memories, adventures and love we shared. All of the ladies were like family. She introduced us to many porcelain artists. And the last sale/show we were to have at the Studio, Dick and I helped her set up. He passed right before the show was to begin. He too was a gentle soul.
Paula is correct, they are all up in Heaven having a great time! Juanita, Doris , Helen, and all at the others. God Bless and keep you in His arms.
