“ I was very sorry to hear that Mrs. Sancya had passed. The Sancya's, were one of the very first to move in to Oak Crest Manner in the 60s. Mrs. Sancya once told me that my grandma had given some of the first flowers to plant around the Sancya home soon after it was built. It was very difficult to see Mrs. Sancya move and to this day I still refer to house as Mr, and Mrs Sancya's house, I dont remember the oldest son, but the rest of the family I knew as a young boy. I want to tell the Sancya brothers and sisters, (that I knew) Emily, Cindy, Joe and Toni that your mom and dad will always remain, in my mind as some of the kindest people that I ever knew growing up. I also want to add that the next generation of Sancya's were raised and played with the next generation of the Anderson family . Areas change, families move on to better things, but one thing wont change is the good memories that I have of ALL the Sancya family. May GOD bless you all. Sincerely, The Anderson family of Hessville
