“ Lori and family,

I am terribly sorry the loss of Randy. It is absolutely heartbreaking. I have been thinking of you all and praying continuously. It was a beautiful service and such a tribute to who Randy was and the impact he had on everyone he came in contact with. It was so touching to hear Jacob speak about his dad and the influence he had on him. I remember teaching Jacob in the 2 and 3 year old Sunday school class at church with Lori. What a beautiful family and wonderful memories! Though the days ahead will be hard, we will continue to pray that the Lord will hold you close and give you the strength you need.

With much love,

“ *My thoughts and prayers are with Mark's family. I met Mark many years ago while working for Meals on Wheels. He was our GFS Rep. However, he quickly became a dear friend and one of my favorite people. He was a man of integrity and faith. He was a proud Husband, Father and Grandfather. He will be missed.*

“ My wife, Judy, and I wish to share our deepest condolences with Lori and Mark's family. Your unwavering faith and strength has been inspiring to everyone over these past weeks and months and we are all with you in missing Mark today.

Mark loved what he did everyday and it was obvious to everyone he knew. We met almost 25 years ago and he always looked for the positive side of everything he was involved in. It didn't matter what personal, physical or professional challenges he faced, he managed to smile and make the most of every day. When Mark was with us, our team gatherings were filled with laughter and we truly enjoyed being together, mainly due to his persistent, fun-loving attitude. As time marched on and my family moved to Michigan, Mark and I could always call or reach out to each other and pick up right where we left off, sometimes after months without seeing each other. I am so thankful we shared so many great times like the Boca trip with our wives, breaking Medieval Times, countless annual meeting dinners and all those years of our matching shirts, suits and cars. Mark will be remembered as a strong, honorable person and a brother in Christ that always sought to do the right thing. May our paths cross again in eternity.
Godspeed, Mark.

“ I'm so grateful to have traveled life together with Mark and Lori.
After being apart due to separate work assignments, we
reconnected for the past few years at GFS. Mark was so intensely
caring about his family, customers and co-workers. Taking care of
others was his mission. It was clear that he centered his life in
Christ. To me, Mark was a brother and I'm so thankful for him. The
next time we see him, the first thing he'll ask is, "What took you so
long?"

“ My thoughts and prayers go out to Mark's family and friends. He was such a wonderful person. You couldn't help but smile when you were around Mark. I have had the honor of working with him these past seven years and he had taught me so much - very funny, always kind, always patient. Mark was passionate about his work and loved his customers. He will be missed by many. Above anything else, his twinkle spot had to have been his grandchildren. The way he lit up when he spoke about them was simply joyful. I am truly grateful to have known him. God Bless.
