“ Hi Rae was glad Shari & I could be with you for a few days after Mark had passed to let you know we love you and Mark also. I enjoyed having him as my son in law with his sharing stories about his work and stories from his war days. I loved cooking for him and he never said he didn't like what i fixed. He will be missed. Love and prayers, MOM

“ Rae, we love you so much and wish we could be there for you at this time and hug you and hold you. Mark was an incredible person. We will certainly miss our conversations and visits together. He was such an interesting and personable guy. We can still see his smile across the table. Hold him in your heart as we will. Condolences to his children and their families also.

“ *We are so sad about Mark's passing but know he is no longer suffering and lived a very full life. We are blessed to have known him and call him friend. He shared the best stories about growing up, about business, his pride for his family and love for Rae Ann. Plus an occasional discussion on politics :) He will be dearly missed. Sending our love and deepest sympathy, Brian and Diana*
