“ Mark was an outstanding guy whose smile will be missed. He was always polite and caring. Ruth and Fabian were so proud of him and will cherish so many fond memories as their boy grew to be an outstanding young man. May these memories bring them peace.

“ I was so sad to hear about Mark's passing. I knew him for 20+ years. Worked about 10 feet away from him for 3-4 years while he was at Dwyer. He marched to his own beat but he was a funny guy and a great human being. I always loved and will miss his over the top laugh. My sincere condolences to his Mom and Dad.

“ Mark, you were an important member of our University of Chicago electronics group for many, many years. You kept our experiments running and therefore played an important role in science. You were also a wonderful guy. Your office was an amazing mess, but you always could find stuff ;) Rest in peace and comfort.

“ Mark, you were my friend for over 33 years.....More than a friend, my best friend, my brother. It was so cool that we shared the same birthdays, I was one year older, but always enjoyed that birthday phone call on how our days went. You were my best man at my wedding. You were the most kindest and genuine person I ever knew. I wish I could have been there closer when you were suffering but my prayers were still there for you and know you are in a better place now. I turn my prayer towards your parents for strength in a hard time. As always Ill love you and never forget my friend. Rest in peace my brother.

“ My thoughts and prayers go out to Mark's parents. I know how much they meant to him. He was truly one of a kind and will be missed by many.

We used to go to all the Jukebox shows together and I will never forget when he called me up and asked for help picking up a jukebox he bought which turned out to be the heaviest one produced. I pulled up and the event had closed and he was waiting by the entrance gate with it when I arrived. I would do anything to help Mark because you knew he would do anything he could for you.

*Rest in Peace my Friend*

“ Marks family and mine lived on the same street in Lofs. He came to my rescue years ago when a friend and I were in our boat and we ran out of gas. He was with his dad in their sailboat and towed us back to the dock. I'll always remember his smile and laughter. Ruth and Fabian

We are truly sorry for your loss. Please know you are in our hearts always. May the memories of your sweet Mark help sustain you through this difficult time. Hugs.
