“ I haven't seen Marlene in many years. I thought about her lately remembering the fun we all had playing tennis at Mansards. I remember her as a beautiful woman who had a peace about her that was contagious. I just got home today from vacation and just read about it tonight, othewise I would have been there. I will keep you all in my prayers. The world will miss Marlene. Gloria Metz Biondi###imported-begin##Gloria Metz Biondi###imported-end##

“ Marlene is a friend who will be missed very much. She was a friend with whom I shared many good belly laughs, hoorays! over sunken putts, and glees over births of new babys. Marlene is also a friend with whom I shared tears. The empathy in her eyes in the midst of her own grief and sadness was amazing to me. Mar was simply a good friend to many. She will be missed, and she will be remembered. Goodbye for now dear friend. Sally B.###imported-begin##Sally Brown###imported-end##
