“ Alison and Jason,
I was so sorry to hear of your mother's passing. She was so much fun to be around, and I feel lucky to have had those Marquette Park UMC/Crisis Center lunch times and break times with her and Willie Perry so many years ago. I loved the way she would say "I don't need to be efficient, I'm cute and perky!". It always made me laugh. But she really was cute and perky (and efficient). And when we had to walk on the ice she would say, "Tiny steps, girls, demure is the word". And her dry humor was just the best!

I'm so sorry for your loss. She will be missed by many.
