“ I have known Marty since we were kids in the old neighborhood on the South side of Chicago and all through high school and as young adults, and we shared some memories that are very vivid and unforgettable. Marty was always ahead of his time and really he was wise in the world. If you listened to him he gave some sage advice and I still remember his voice and some things he told me. He had his share of stressful events in his life, which we all do, and he always " kept the faith". I think he really enjoyed his life and lived it well. All his friends in Florida told me he had a saying, " We are blessed". He was so right. As a friend, he would do ANYTHING for you and always tried to ease your pain if he could help. He was forgiving and may God bless him always. Marty will be missed and I will always remember him. My deepest condolences to his family and all those close to him.
