“ I learned of her being in the hospital through my Cousin Holly. My wife Donna and I came up from Peru, In. in October while she was at Vibra. I had to gown up, put on gloves to go into her room. She could not talk very well. Her throat hurt too much. We only stayed about 10 or 15 minutes. I had prayer with her, She took my gloved hand and squeezed it very hard as I was praying. The short time we had with her was worth the 2 hour drive. We saw her 3 or 4 more times. About 2 weeks ago we saw her at Symphony. She was in a lot of pain. Her eyes lit up when we came into her room. Again we did not stay long/ As I prayed with her and for her she squeezed my hand so hard that I knew she was happy for us being there. She is no longer in pain. I thank God for that. Rest in peace Aunt Mary Ann.
