“ *Maryanne,*

I am so sorry to hear about your loss. I know that you and your mother were very close and I can only imagine the pain you must be going through right now. I will be praying for you and those she left behind in this world. I hope that the love and support of those around you, the memories that you have with you in your heart, and the promise that you will see her again one day will give you strength and comfort.
