Tribute Wall

“ I was deeply saddened to hear about Aunt Mary's passing. She was such a bright light in our lives—her warmth, her endless stories, and her love for everyone around her. I will always cherish the way she could talk for hours, making everyone feel special and heard. Her kindness and her laughter will forever be remembered, and I know she leaves behind a legacy of love and joy that will continue to inspire us.

Please know that you are in my thoughts during this incredibly difficult time. I'm sending you all my love and strength.

With heartfelt sympathy,

Larry Lemon (nephew)

“ Gram- when we we younger you did the bravest thing and took ALL of your grandchildren and even some of our friends down to our campground for a whole week. You would take us shopping at Walmart to get everything that we needed. We had so much fun there with you....I miss those days but I appreciate the time and the memories there with you. Your granddaughter, Li dsey
