“ I remember when Lisa and I was watching the Mexican Spanish channel, we asked Mary what they were saying, Mary replied, I don't know, Lisa and I were like totally blown, then Mary said Mexican Spanish is a different dialect. I believe Lisa and I scratched our heads for a long time, lol. Rest in peace Mary

“ Mary has been a wonderful caring mother-in-law to me for nearly 30 years! She was amazing in so many ways, but what stood out was her ability to make me feel like family. It’s been easy to call her Mom since she cared for me like her own son. She has been so welcoming and so giving, I already miss her. Mary leaves all of us with a very large hole in our hearts – one we’ll have trouble filling. I still feel her presence just a differently than before. May you rest in peace Mom – with love Dennis
