“ *Busia. I love you so much! Although your not here for me to hug you. I close my eyes and see your sweet smile. You were always happy and cheerful. I have learned so many things from you. You have helped me and guided me thru a lot of challenges in my life. You are always and forever in my heart. I miss you so much. I will never forget how accepting you were with Anthony and Myself. You always told him he was like a son to you. Rest In Peace Busia.*

“ Dearest mother, although im saddened and my heart sorrowful my mind is gladdened with a lifetime wonderful memories ... Are time together seemed relatively short and I know it was God's will to bring you home. I will never forget the warm, loving and caring mother you were, even though I may feel lost and lonely at times and searching to hear your voice or feel your warm touch or even looking to see your beautiful smile one more time I find comfort in knowing that you are in heaven and you are at peace ... As hard and as tearful it is to good bye, I just want to say Thank you for all the sacrifices you made for me, Thank you for giving me a lifetime of unconditional love and most of all Thank you for being my MOM Until that day comes when we can be together once again may you be at peace with your heavenly family
I LOVE YOU MOM

Your son,
Steven
