“ Mary was one of my Mom’s (Lorraine Browne) best friends throughout her life starting with Grammar School. I never met Mary but I have photos of her I inherited from my Mom. She told me so many stories throughout her life of all the fun things that she, Mary Gleason and Dorothy Whitney did including being on the Water Ballet team in college. If someone from the family reads this, please get in touch! I hope Mary mentioned her friend Lorraine a few times to her family. I am glad that Mary lived a long life full of those things she enjoyed best! Karen Kozel Gunnell
