“ *Mary was a one person from school that truly was friends with all. She was not the cliquy girl she was the girl who took time to befriend anyone who crossed her path. I am blessed to have known such a sweet soul and very glad I was able to attend her benefit earlier this year. May her soul shine like a bright star in the sky. You will be missed by many and live forever on in our hearts.*

“ My first memories of Mary are when she would spend the night at our house when she was just a little girl. Even then there was always a smile on her face and that bubbly personality, that never changed. That was Mary, and the way I will always remember her. My thoughts and sympathy to all your family. She was a ray of sunshine here on earth and can only brighten the heavens.

“ I have so many memories I wouldn't know where to begin. I love you and will miss you terribly. You singing regardless of who will hear. Your smile even when you weren't feeling well. Your need to make sure others knew that you loved them always will be in my heart. You could always keep a secret and were a tender ear when my world felt like it was falling apart. My family and I will miss you forever. I know you'll always be with us in spirit. I am forever in your debt for how amazing you have been to me and my family. I love you
