“ mike my condolence for the passing of Mary. It really took me by surprise but I was glad to have talked to her those days n I know she was glad to talk. I saw her grow up n the memories of her with my children I have a video of them when I took them to Indiana beach. when they were young . and to the Chicago concert. we would talk some times about your grandma s Turkish coffee and strudel pastry.. . . she was very bright with an inquisitive mind. We will always love her. God bless her
