“ For a few years in the mid 90's, I lived next door to Art and Mary. I remember their kindness and loving nature. They were always keen to invite me over to help in the garden and invited me over for dinner a few times. My brothers helped shovel snow on their sidewalk and we all helped rake leaves in their huge side yard but they always let us play in them first. I remember Mary's love for plants and flowers. My favorite was Lily of the Valley. I planted some last year and they came up so beautifully this year. I think of her every single time I see them. Thank you, Art and Mary for the kindness you showed me. It has stuck with me all of these years.

“ We are very sorry to hear about the passing of Mary. We remember her well and the times we visited with her at birthday parties many years ago. She was a nice lady and always so friendly. Our prayers are with the family during this difficult time.
