“ *It was one year ago today that we lost you. I remember looking into the sky and seeing thick dark clouds. The words he's gone resonating in the wind. The sound of silence. Your presence missed. Wish you were still here for Kay. I hear you two laughing in the wind and I wish this day never happened. We miss you Mike. Always will.*

Michael would have been my future son in law. My heart is broken over his sudden passing. Mike, thank you for loving my daughter and being good to her. We are thankful for the time we had with you. We have a hope that one day thanks to our Savior, the Lord Jesus, that we will see you again in the heavenly realm. Weeping endures for a night, but joy comes in the morning. We miss you Mike.
