“ Mike gave life it's all. I still remember the amount of energy he would put in on the field when I coached him in soccer. He would literally run until he was sick and then still wanted to play more. He was always about the team and succeeding. He was always a respected and admired leader amongst his team.

This is a very sad time and our thoughts prayers go out to the Kozlowski family. He had so much left to offer the world.

“Watching Mike play C.P.Pups basketball and helping coach him with Tom Fallon you could not ask more of a kid giving it his all up and down the court. Sorry to hear about Mike, a person who gave his teammates someone to look up too. You always knew when Mike had the ball your team had a chance to win. And he was a winner!

“ *I remember my graduation party and you were crawling around the floor as all my friends thought you were the cutest baby. I think you weren't even one yet. I have a picture of that day of you. You were always the kid with the biggest smile and even when I used to see you at Crown Point High School sporting event you were always smiling. I am so glad my brother remained close with you over the years and was able to be part of your life. You will be missed by so many.*

*Your cousin,
Dana*
