“ Valerie, my condolences to you after learning of the passing of Michael. I have very fond memories of you both from our time together at River Forest High School. Mike and I played together on the varsity golf team. Freshman season I played my first practice round with Mike and his brother David. We quickly became good friends. We had a great team our senior year and Mike and I teamed up together as match partners that season. You learn alot about the character, ability to handle adversity, sense of humor, and winning spirit of a man playing competitive golf. Mike had all of those attributes and many more. I remember how proud and excited he was to be dating you at the time. My thoughts are with you and your family.

Warm regards, Eric Zalas, Carmel, IN.
