“ We felt so welcomed by Michael's smile, when we visited your house, Diane and Nicole! We laughed together, admired Michael's Mustang and the lovely place by the lake, you're living at. Always gentle and smiling, that's what we are going to miss, Michael. from Germany, Klara, Gerburgis, Rainer and Marius

“ I so enjoyed the days Michael came to help me with my basement. Especially remember how we struggled with the large marble piece Don had brought home years before. Finally he says we need to get some two by fours, lay it down and bust it up. It's the only way to carry it out, in small pieces. He really enjoyed himself with the sledge hammer that day, and I put small pieces in a bucket to carry out. We laughed at the thought of what don would say about that!! So now Michael knows! I'll miss his smile and laughter. Love, Aunt Joyce

“ Mike, all the years went by and we got lost from each other. More my fault than yours. After years of parent problems and family trouble, and caring for in-laws in our home, seems like everything passed by and now you have gone. I will always remember the fun times we had when we were young, the big Lionel train set you and your brother set up in your parent's basement, playing baseball, football on the vacant property next door. Going fishing on the river, and hunting behind the Village shopping center. And of course, you were my Best Man at my wedding. Have a pleasant journey and see you on the other side....Bob Dereski
