“ Dawn

I was saddened to hear about Mike's passing. You and your family are in my prayers. Had I known sooner I would have tried to be there. You have many memories but these are not the same as having Mike there. Wish there were something I could do to take away some of your pain.

“ *Dawnie- you and Mikey are my family - always have been & always will be! I have been reliving many, many wonderful memories over the past 24 hours and am so thankful for the times we have shared! I am so sorry I can not be there physically for you. You have always been so available for me & my family. Please know that my heart is aching & I am praying for strength & comfort for you & the whole family!*
