“ Mikey, my family is devastated that we have lost you. You were the epitome of a Son, Husband, Father, Brother, Nephew and friend. You were a bundle of love, light and kindness, and you treated people with such a loving heart. The words being left for you as we grieve speaks volumes of who you were. I was proud to be your Auntie and Uncle Bob, Lauren and Bobby are devastated that you are gone. We have so many fun and happy memories that we will use to help us get through the days, weeks, months and years ahead. So glad we talked two weeks ago when I sent you the silly picture that I had of you when you were little. The World has changed with the loss of you, it's not so Sunny anymore...we love you Mikey...I know Grandma Lian and Grandpa Wally were at Heavens gate with open arms for you.

Michael, Karen, Jennifer and families....we wish we could take some of this pain away from you...we are so very sorry for this devastating loss to your family.

“ My friend and brother. I never thought my time with you would be cut short so early. I am going to miss you so much. Your character and personality have brought me so much joy over many many years. It is common for people to say "never forgotten", but anybody that knew you knows that you are in fact impossible to forget. I love you and will always love you.
