“ *Tammy and family -- Jerry and I send our deepest sympathy and love. Mike leaves a terribly big void for anyone lucky enough to have know him and experienced his generous spirit. He leaves the biggest void for you, Tammy. For that we are so sorry. We will always remember Mike for his unselfish offering of time, talent, organizational skills, understanding and love at the REALTOR meetings. He was always right there with you to help everyone. We are thankful to you for bringing him into our lives. He made us better people, and that's the way we will honor his memory -- by trying to be a little kinder and better and "Mike-like" as we go on without him. As time goes by, we hope you will find comfort in memories of all you shared together. He adored you, Tammy -- he still does.*
