“ I was so very sorry to learn of Mike's passing. Mike was my private banker when I moved to Valparaiso, and his help and encouragement were invaluable as I navigated relocation and adjustment to my new job and to finding and buying my own home. I have never forgotten Mike's help and kindness. To Linda and the family, please accept my deepest sympathy and condolences. Although you will always miss him, I know you will also always treasure your many happy memories of Mike.
