“ *My most wonderful memory of my aunt Millie is that when I was a little girl she would always let me play with her jewelry. She would make sure I always took something with me when I left. She would sneak and say take it so mom and dad would not make me put it back. I still have my favorite necklace that she gave me about 47 years ago. I just lost my mother (her sister) in August of 2013. They are together now.*
