“ Dear Al, Bob and Chuck,
I regret that I can't be there. The best memories of my childhood were with the boys in the hood. Your Mom was a wonderful lady who could cook like no one else. . Manicotti, canoles, lasagna and the list goes on. I remember when your Mom, Al, Bob and I worked at.the Cafeteria at Luken Streigel Drugsd the only fringe benefit was your Mom's cooking. I remember the dog after Chippy only responded he when your mom said OHMYGOD and that became. I remember the ballfield behind your house that we manicured and played until we could no longer see. The wiffleball field next to your house and your uncles from Jersey who were known to make little league games more interesting. Many fond memories of your Dad as well. When we were kids I would have bet Chuck would be the toughest person pound for pound in the community. Somehow I remember your Mom"s name was Carmela? God Bless Your Family and Your Wonderful Mom> Love to All,
Bill Hintalla
