“ I loved Nancy so very much! I cleaned her house for several years and really got to know Nancy. She loved the Lord. We prayed together and I even brought my ukulele over a few times so we could sing the old hymns together. She was a very kind and loving lady and will be missed greatly! It's good to know that she is with The Lord and I will see her again! Bye sweet Nancy Loveya

Nancy was truly a lovely women, we visited numerous times while she was at Chicagoland and she loved to talk about the Lord. We sang together the first time I met her and she loved singing the old hymns. A group of women singers from Bethel Church, we call ourselves Joyful Noise, would come several times a year and sing to the residents. One time they didn't bring Nancy down fast enough or there was a mixup and they didn't bring her down in time to catch the singing, so her son and daughter-in-law and Nancy and myself sat right there in the lobby and we turned the music back on and sang several of the hymns together. It was a wonderful time and she loved it. Also at the end when Nancy was in hospice, I came and sang to her, she was unresponsive but the nurse assured me she could hear. Nancy loved Jesus and she is now with her Savior forever, I'm so happy I got to know her and one day I will see her again!!!
