“ *My aunt Nancy. Too many great memories. Remember her in the Glen Park house. Her and my Mom smoking and drinking coffee in the kitchen. We spent a lot of time there and I only remember good times. Ciocia Nancy was a great lady.*

“ *Dear Nancy,
I only knew you for a year but I sure will remember you always.
You showed me your kind heart and wonderful soul.
What a beautiful little gal you are.
So happy that I got to know you.
Hugs always.

*P.S. Dear Family,
I would try to visit with Ms. Nancy during her meal times so that I could encourage her to eat. She ALWAYS wanted to share her dinner with me...as she wanted to make sure that I had eaten.
And she never missed asking me how my family was doing.
This gesture always showed me how kind she was.
I always enjoyed my visits with your Mother.
I will miss her.
