“ Just found out about Nan passing today. I went to CPHS with Nan and really enjoyed conversing with her before, during and after class. She was such a genuine and friendly girl. Seen her maybe 20 years later in CP and talked and she was still the same lovely woman. Belated sympathies to Nans family. Eddie Brown

“ Cousin Nanette, the world is a better place because you were in it. The Butz family is incomplete without you. RIP

“ There are moments in life when you wish you could bring someone down from heaven. Spend the day with them just one more time, give them one more hug, kiss them goodbye or hear their voice again. One more chance to say I love you.

Rest in peace my dear sister, friend, and confidant. You will be missed more than words can ever express. My heart is broken to lose you so soon, but I know you will live forever through the memories we shared. I love you.

“ My Beautiful Sister Nan will be immensely missed. She wasn't just our sister. She was our friend and confidant. Her heart was Soo BIG ! She not only worked in health care she took care of all of us young & old it didn't matter. We knew she would always be there for us by lending a helping hand, listening to our hectic life stories and giving us advice to make things better for us.

She made the best Texas sheet cake and monster cookies !

She had a great love for music and would share songs she loved with us.

Her stories were the best she made feel like you were there! We all laughed so much when she was telling us. I really can't say enough about her! If you knew her you know what I mean! I will miss her tremendously! My mind is racing with memories of her that I will hold close to my heart forever! I loved her tons!

Sis your at peace now and forever in my heart! RIP NAN ❤️
