Not a day goes by in which I don't think of you, Nathan. You were like one of the brothers I never had, both you and Joseph King Gregory. I miss you terribly each and every day but I take comfort in the hope that one day we will meet again...in some form...in some place.

“ *Nathan. I cannot believe it has been a year since we lost you. Not a day goes by that I don't think of you. You were like a brother to me, and I still ache to think that I will never see you again. I just wanted to say that you are loved and missed more than words can say. You took a piece of each of your loved ones' hearts with you when you left us, and our lives will never be the same. I wish you were here with us still, but at the same time I hope you have found the peace that you did not in life. I love you with all my heart, and I deeply miss you.*
