“ It has been almost a year since you left this world. That is hard to believe. Every time I hear Dave Matthews, I think of you. Every time I sink my feet onto the sandy shores of Lake Michigan, I think of you. Every time I hear boats along the water at Cedar Lake, I think of you and wonder if one day I will see your face again. I had more to say to you the last time I saw you but as the saying goes, some things are better left unsaid. I took for granted that we are not promised tomorrow. Maybe someday I will be able to tell you my friend. Until then- I'll see you later.
